The **DELUXE SHOWER & TOILET** unit is truly a high quality unisex changing facility, and as with all our units the internal specification makes it equally at home in the event, leisure and construction industries.

The unit is divided into 2 equal cubicles, each cubicle houses a powerful shower, water flushing toilet, vanity unit and a wash-hand basin. The energy efficient showers are mains fed and ensure a constant supply of controlled hot water. Heating is provided by a wall mounted infra-red heater.
