# Bespoke Sleeper

MADE IN  
BRITAIN 

## Premium Specification • Building Regulations Compliant

The Bespoke Sleeper is our top-of-the-range cabin. It is the latest sleeper in the Bunkabin range and offers even more comfortable living space.

We want your living space to be as cosy and enjoyable as possible. The Bespoke Sleeper offers you the quality and comfort normally associated with quality hotels.

Suited to any industry requiring temporary living accommodation, the unit features an interior similar to that of the Deluxe Sleeper with an enhanced shower room design, contemporary LED lighting and an integral blind encased within the glazed window unit, which creates a real wow factor. The Bespoke Sleeper also conforms to fire and building regulations.

### The Bespoke Sleeper comes complete with:

<b>En-Suite</b>	Improved design to increase usable space. Dual flushing toilet, large wash hand basin, heated towel rail, humidistat fan and a large mounted mirror. Bright LED strip lighting
<b>Shower</b>	Large shower cubicle (750mm x 1000mm). Powerful stable mains fed shower with temperature control (Not an electric instantaneous shower with fluctuating temperature), shower curtain
<b>Fitted Furniture</b>	Walnut style furniture with wardrobe, boot locker and shelves. Wrap around shelving and LED task lighting above the desk and bed. Fridge housing unit with two shelves and worktop
<b>Appliances</b>	Built-in microwave oven (25 litres) and full size built in fridge (133 litres)
<b>Beds</b>	One full size single bed with mattress, individual over-bed LED lights
<b>Heating</b>	Thermostatically controlled environment heated by tubular heaters and a 100w towel heater in the bathroom
<b>Flooring</b>	Vinyl walnut wood effect flooring
